MASSACHUSETTS.

Boats go up 20 miles above Charlestown to Webb's River (at Newbury) - there are 300 boats of 50 barrels each went up at once a few days before we went in 1816. The Company have 14 or 15 boats - Rafts come down with 500 or 600 thousand of barrels, shingles &c. Canals at Rattler's Falls, Pelham Falls, two miles below.
